Small arms fire taken from houses lining road

Sporadic warning shots fired

Small arms fire from neighborhood south of OBJ

Personnel firing at northern position from within building

AK-47 fire taken from across street

36th Commandos emplace wire

TGT 1

This is an aerial photograph of a city street intersection and surrounding residential areas. The image is annotated with several text boxes and arrows. A large red rectangular area is drawn along the street, indicating a zone of interest. A red dot is marked on a building in the center, labeled 'TGT 1'. Blue arrows point to specific locations, and red arrows point to other locations. The text boxes describe various types of fire and personnel movements.

The outer cordon received fire almost the entire time while on the objective. The outer cordon aggressively returned fire with .50 cal machine guns, 7.62 mini gun, M240G and 5.56.

Assorted RPGs with launchers, Assault Rifles, Magazines and Grenades

Crush wire IED detonators
